### STUDENT LIFE / SPORTS / CAMPUS LIFE

We have a national championship Rugby team, NAIA basketball team, & a long list of club sports including hockey, volleyball, racquetball, etc. Our first set of new on campus housing (1 & 2 bedrooms; furnished or unfurnished are available) was just completed along with a beautiful & tasty organic café. The campus is in the process of going green, which means that many of our large concrete parking lots were torn out & replaced with beautiful grassy

areas for students to gather and study. To provide ample parking, a parking deck was built on campus and shuttle service is provided to all of our buildings.
