### **STUDENT LIFE / SPORTS / CAMPUS LIFE**

Student Life is a major component of the college experience. Student learning and development is the focus of what we do. Clubs and organizations, spiritual life, small groups, short-term missions, residence life programs, and trips to the High Museum of Art or the Shakespeare Tavern in Atlanta are just a glimpse of what we offer. Intramural sports keep students physically healthy through competitive activities like flag football, volleyball and basketball, while weekly convocation and chapel services cultivate spiritual health and a strong sense of community. In addition, Student Life offers a variety of student services for commuting students and in the areas of counseling, career, and pastoral care.
